#### General conditions:

The tournament will be held according to the FINA Masters Rules and the competition rules of the Austrian Swimming Federation. All national and international participants are eligible provided they are 20 years or older as of December 31, 2023, their national swimming club is a FINA member and they possess the right to start for their club. International participants confirm with their registration that their swimming club is a member of their national swimming federation, they are entitled with an appropriate individual licence, and they have a permit for international entries.

All events will be carried out in timed heats and the starting places will be assigned according to the registration lists. Women and men are starting in the same events.

Until further notice, no clubs from the national federations from Russia (RUS) and Belarus (BLR) may take part in competitions within the scope of the rules of the Austrian Swimming Federation. Accordingly, no registrations from clubs from Russia or Belarus will be accepted.

For participants in the age group 20-24 years the Fina-MASTERS-Rules do not apply. They will swim in separate heats and they are not entitled to participate in the Masters relays.

Events or sessions may be changed by the referee in justified cases.
